In the month of August, we will be giving away ONE Friday night dinner meal (yes even steak night). Every time you go into the lodge Saturday – Thursday and make a purchase you can get a ticket from the bartender to write your name on and put in the pot. You must ask the bartender to give you the ticket (they are not responsible for reminding you and if you forget you cannot get a ticket the next day). Only one ticket per day per person and only lodge members will be allowed to get a ticket. On that following Friday at 6:00 before we start to serve dinner, we will draw one lucky name out of the pot. If your name is drawn and you are not there, you have until they stop cooking to receive your meal. Only one ticket will be drawn so if you are not at the Lodge that night, you will miss out. All the tickets will be thrown away after the drawing and we will begin all over on Saturday. This is just a happy gesture to give back to our lodge members for all their never-ending hard work and support. This will begin on Saturday August 3. **(If there is a scheduled activity –example - fund raisers, shrimp boil, luau, boozy bingo, etc....tickets will not be giving out).**

**Reminder:** You can renew your membership dues on line. See the link below.
